

Two Year Olds

Welcome to Tudhoe Moor Nursery School

Hello everyone and welcome to our school!

For our returning families, it's great to have you back with us again. For all of our new families, hello and welcome. We hope that you and your children will love coming to Tudhoe Moor Nursery School and we look forward to them learning lots of new things.

We use these newsletters to keep you up to date with all the exciting things that we've been doing and as a reminder of dates and forthcoming events so that you know what's happening. The newsletter will be sent to all families via ParentMail, uploaded onto our school website and there will be hard copies available in the entrance porch. If you want to know anything but don't have your newsletter you can always ask at school, look on our website or our Facebook page.

Thank you

Julia Hymers- Head Teacher

Snack money

We politely ask for a voluntary contribution of £2 per week for 30 hour children and £1 per week for 15 hour children. This money is used to provide a snack for the children in the morning and the afternoon. We also use it to buy additional resources, e.g. items for baking or special activities in nursery; without these contributions we would not be able to do this. You can put your donation in the money box by the front door.

ParentMail

We use an app called ParentMail to send all of our important information and letters. You will receive an email shortly asking you to register for this. Please sign up so that you do not miss anything important!

Library

Children will be able to take home books from our library every week to share and enjoy with their family. Your child will pick a book to take home and will need to return it the following week where it can be changed for a new one. Your child will be given a plastic wallet to take their book home in. Please look after the books that we send home, each book damaged or lost will incur a charge of £5.00 so that we can replace it.

Green Group– **Wednesdays and Fridays**

If your child is not in on this day, please arrange an alternative day with their key worker.

Tapestry

You will shortly be receiving an email asking you to set up an account for Tapestry. This is a secure system in which we send photos of your child to show you what they have been up to. We usually send around 1 or 2 per week as we try not be stuck to tablets, and would much rather be playing with your children!

Keep an eye out for the email and sign up to see your child's first week photos.

Little Stars clubs

We offer before and after school club care from 7.45am until 5.30pm. Breakfast Club is charged at £5.00 per session and After School club is £10.00 per session. These can be booked in advance or with no notice too. We try to be as flexible as possible!

We have now introduced a mini After School club for those that might not need the full session. If you pick your child up before 4pm, we are now offering a reduced rate of £5.00 per session. Any children staying past this time will be charged at £10.00 as normal.

Book your child's place with Erin at the school office.

What are we learning this half-term?

Our main topic this half term is 'My Family'. Children will be talking about who lives in their home, different family members and how all families are different. In Green group our children have their own family book that we keep in nursery so that children can look through it whenever they like. Please can you send in some photos of your child (if you have not already) so that staff can make a book for your child. You can email these over, or post onto Tapestry.

Names in children's clothes

Please remember to put your child's name in all of their belongings; jumpers, coats, scarves, and shoes. We have several children with the same shoes and jumpers and they can easily be muddled up! Please make sure that you put your child's name in everything to help us dress your children in the right things.

Also if your child comes home in nursery clothes after having an accident here at nursery school please make sure that you return them as soon as possible as we need them regularly.

Facebook Page

A little reminder that we have a Facebook page; hopefully more families will be able to keep up to date with events and diary dates. There will also be some posts about things that we have been doing that might be of interest... keep watching and like our page. You should have received a letter asking for your consent. Please sign and return this so that we can start posting!

Coffee Mornings

On the last Friday of every half term one of our staff members Linsey Donaldson runs a coffee morning for all families. Linsey's role in school is working with children with additional needs.

If you ever have a concern about any aspect of your child's development, you can book an appointment with Linsey for any tips or advice.

She will be hosting coffee mornings on the last Friday of every half term for all families. This will give you a chance to meet other parents, have a chat and unwind. You are welcome to bring your child (and any siblings) along for soft play, toys and more.
