

Welcome to Tudhoe Moor Nursery School

Hello everyone and welcome!

It is lovely to be back and to see old faces and new!

We would like to say an extra warm welcome to our new starters! It has been lovely to see them settle into nursery life . Our older children have certainly been excellent role models and helped our new friends find their feet.

We are looking forward to another fun filled half term with lots of activities planned for the children to enjoy.

We have a very short half-term this year and so a smaller than normal newsletter.

School photographer

We have arranged for a photographer to come into Nursery on Wednesday 13th May to take photos of your child. You will then receive some small samples where you can decide whether you would like to purchase any or not.

If you would like to have a sibling involved, please speak to Erin who will arrange a time for you.

If your child does not attend on a Wednesday, please speak to Erin who will book you in for a time slot.

Summer weather

Now that the weather is beginning to change, on sunny days please can you bring your child to nursery with a sunhat (clearly labelled with their name). Please apply suncream to your child before they come to nursery and we will top this up throughout the day using our suncream (Aldi's own brand which has 5* UV protection). If your child has an allergy or needs a particular brand, please bring your own cream to school for us to apply.

What are we learning this half term?

This half term our children will be playing and exploring our new toys and the nursery environment. We will be building relationships with our Key Worker and the other children in our group. Adults will be focusing on developing children's language skills by reading lots of simple stories and singing nursery rhymes to help develop new vocabulary.
